

# SolarVENT™

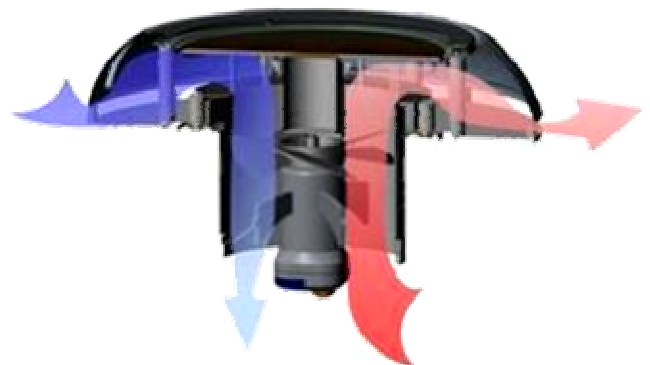

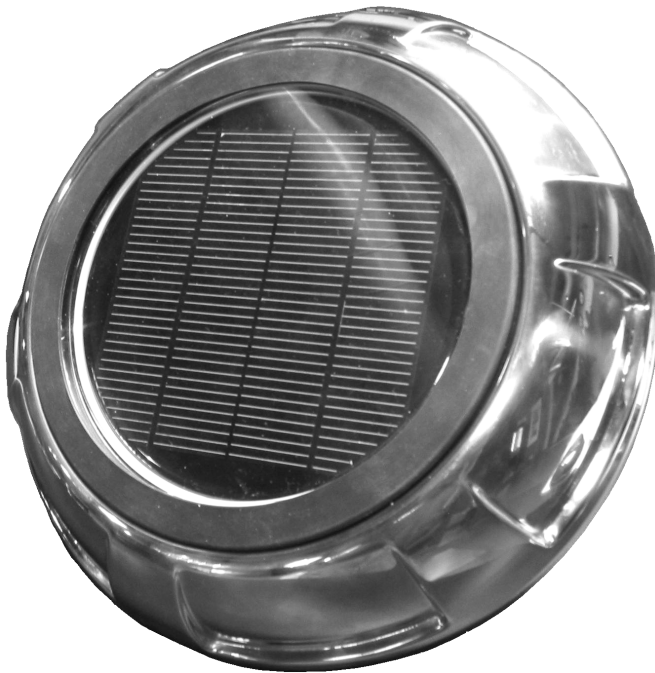

## 24 HOUR AIR EXCHANGE

The SolarVENT 24AE is the ultimate solution for those hot, humid areas that don't get proper ventilation. This stylish and aerodynamic ventilator reduces condensation and heat build-up in any enclosed area, keeping living areas comfortable and improving air quality.

Powered by the sun, the SolarVENT 24AE provides silent and reliable ventilation – even when you are not there! Using a high efficiency crystalline solar cell and two high capacity AA NiMH batteries, the SolarVENT 24AE provides more than double the airflow of most similar sized solar vents.

Easy to install on any surface, the SolarVENT 24AE requires no wiring and runs on FREE solar energy to prevent mold and mildew. Ideal for boats, RVs, cabins, conservatories, sheds, sheds, greenhouses and much more!

- Two high capacity AA NiMH batteries offer round-the-clock operation capability
- Can run for 48 hours without sunlight
- No wiring required - Never drains boat/RV batteries
- Can be sealed manually to prevent water ingress
- Available in stainless steel, clear, brown or green finish
- Easy one-click intake/exhaust/off airflow selection
- Can be installed on wood, glass, metal, plastic or canvas
- Fits both round and square openings
- Snaps into 4" deck plates
- Available options:
  - LED light assembly
  - Flexible cover mounting kit
  - Insect screen

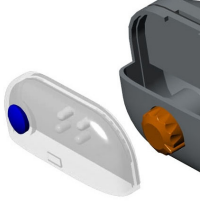

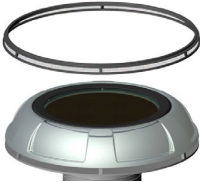

**Intake & Exhaust functions**

## 24 HOUR AIR EXCHANGE

SPECIFICATIONS	24AE Marine	24AE MPV
Model#	70400	70410
UPC codes	775540704007	775540704106
EAN codes	0775540704007	0775540704106
Exterior Cover Finish	Stainless Steel	Acrylic (Clear) / High Impact ABS Plastic (Green/Brown)
Operating Temperature	-40 to 140F (-40 to 60C)	
PERFORMANCE		
Airflow per Hour	1,200 ft <sup>3</sup> (34 m <sup>3</sup> )	
Airflow per Day	28,800 ft <sup>3</sup> (815 m <sup>3</sup> )	
Run Time without Sunlight	48 Hours	
FEATURES		
Batteries	2 x 2000mAh AA NiMH	
Controls	Reversible ON (Intake/Exhaust) & OFF	
Unit Dims & Weights		
Exterior Cover Diameter	10.5 inches (265 mm)	
Total Height	6 inches (125 mm)	
Vent Diameter	4 inches (100 mm)	
Weight	2.5 lbs (1.1 kg)	2 lbs (0.9 kg)
Packaged Dims & Weights		
Retail Dims	15 x 11.5 x 7 inches (380 x 290 x 180 mm)	
Retail Weight	3 lb (1.4 kg)	2.5 lb (1.1 kg)
Case Pack Dims - 4 units	15.5 x 24 x 14.5 inches (395 x 610 x 355 mm)	
Case Pack Weight - 4 units	13 lb (5.9 kg)	11 lb (5 kg)
Regulatory Approval	CE Approval	
Patents	International Patents Pending	
Made in	Designed in Canada, Manufactured in China	
Warranty	2 Year Warranty
