- Decorative lighting ideal for tabletops as well as your garden, patio or deck
- Mosaic glass creates pleasing lighting effects on any surface
- Automatically illuminates during darkness
- Powered by an integral solar panel
- Energy-saving white LED
- Up to 8 hours of light each night when fully charged
- Replaceable rechargeable Ni-MH battery
- In winter or during prolonged periods of dull weather you can still enjoy these lights by replacing the solar insert with a standard tealight or candle
- No wiring, simply place and enjoy
- No operating costs
